

TURF WARS 2019

WHAT

6th annual intra-location competition.

WHO

All members. All turfs.

RESTRICTIONS

Only one score per person per day. If for some reason you run twice in a day, only your first score will be kept.

WHEN

Monday, Oct. 21st – Sunday, Oct. 27th

HOW

Just show up and workout! This tournament doesn't have a sign-up process or special trial workouts like March Mayhem. Newer members who've never experienced Turf Wars before, might not notice anything's all that different from a typical day's workout except for the turf environment seems a little more intense and their turf-mates are taking an interest into how they're scoring.

The tournament takes place automatically by tallying all the scores from each turf and comparing them against your Seasonal Boulder to see which turf has the best week-long performance.

THE STAKES

Winners of Turf Wars get their turf's name etched on the Turf Wars Plate Trophy which remains at their turf until next year's Turf Wars. The winning turf also creates a "Wager Workout", which includes a carefully curated playlist, for the other turfs to endure. This year's Wager Workout will take place on Wednesday, October 30th. *Wager Workouts and playlists must be submitted to hackett@syphustraining.com PRIOR to the first day of Turf Wars.*

TURF WARS HANDICAPPING

ROQ +/- OVER SEASONAL BOULDER

We'll take your **ROQ** for the day and subtract it from your **Seasonal Boulder** to find a **+/- score**.

Name	Home Turf	ROQ	30	S	C	+/-	CAP
Tim O'Halla	SCS	855	780	818	782	37	37
Love Bagga	Shelby	855	801	817	717	38	38
Elizabeth ...	Harrison	855	693	691	684	164	100
Jessica Ga...	Brownstown	831	776	808	727	23	23

ACCUMULATIVE TURF +/-

A running total will be kept for all the +/- scores registered at each turf. The turf with the best score at the end of the week wins Turf Wars!

100 POINT CAP

A CAP is placed 100 points above and below your Seasonal Boulder. The MAX points you can score/lose for your turf is 100 points. Using the above example Elizabeth scored a 164 but only 100 points of that will be used for Turf Wars. Her 164 will still count for her overall stats and reflected on her dashboard.
